Hi, Troops – this month's meeting will be held at the cabin (see above), to coincide with our first work party of the year. The main project being the repair work on the cabin floor. We need bodies to get this done, so please make an effort to attend.

Cold weather froze up the waterline from the well to the cabin, and the pump is on the blink, so that will have to be addressed too, although not necessarily at this work party.

I understand that Ken Heist has some aluminum to finish the soffits on the cabin – not sure if that will be done this month, though.

Prices for new carpeting were set at around \$1100.00 , so that might not happen anytime soon.

The proposed fishing tournament has also been put on hold, but that doesn't mean you still can't do any fishing, y'know.

Ken Heist was looking into having our meetings held at the Boston hotel in Lancaster, and Rick Tartick is looking into a possible location at Porters Pub in Tonawanda. Don't know the results of either one yet.

The fifteen acre lease to Herbert Nobles for \$300.00 a year was renewed for six more years.

Here's a message from our fearless leader concerning club dues, Troops. - - - In accordance with the changes to the club bylaws approved by the members at the September meeting , annual club dues are to be paid in full by the April meeting. If dues are not received by this meeting, then dues and a \$40.00 late fee are to be paid by the May meeting. If dues and the late fee are not paid by the May meeting, membership will be forfeited. If any membership is forfeited, we will invite any new members on the waiting list to join the club in June. Please pay your dues on or before the Saturday, April 26th meeting to avoid late fees, or loss of membership. **Waiving these requirements would require amendments to our by-laws. The Board of Directors is not able to waive these rules, so please don't ask.** Dues can be mailed to Mark Zaller . Make sure he receives them by Friday, April 25th if you can't make the meeting.

Here's another tid-bit from Tim. Turkey season opens May first. Hunt safely, and positively identify your target. That's it for this month, Troops – stay healthy, and stay safe. Dick Z.

Send dues to Mark Zaller 3350 Mckinley Pkwy.,apt. # 3 Blasdell, N.Y. 14219
