Howdy, Troops – This month's meeting will be held at the cabin, along with the first work party of the year – working hours are from 8:00 a.m. until 4:30. Meeting commences at 5:00 p.m.

As for the work party, plans are to finish work on the floor – other chores will be done according to how big the turn-out is. Some suggestions for improving the shooting shed have also been made. As usual, as much as can be done, will be done.

There's been talk of restocking the pond, and possibly having an aerator installed. George Feldmann is looking into this as far as costs go. Other possible improvements to the pond have also been discussed. More on this, at the meeting. I heard that the pond has either been fished out, or the fish all died from something or other. Then there is the possibility that someone caught a big fish somewhere, and put it in the pond, and it commenced to eat up everything in sight. No accusations here, but it is a possibility, seeing as how the pond has been so healthy so far. At any rate, we need more fish in our pond.

The Memorial day fishing trip to Canada at Lung Lodge is getting near. It's open to anyone who wishes to go. Cost is \$135.00 per day, with food and boat usage included. Talk to Mark Zaller, or Tim Murphy for more details.

Another hundred dollar donation for the pavilion has been received, bringing the total up to \$750. More are needed. As I stated before, a plaque will be made up, and attached to the pavilion once it is completed. This will identify all the donors, and their contributions. Hopefully, this will come about this summer.

A gentle reminder, Troops – this year's dues must be paid in full by this month's meeting in order to avoid the \$40.00 late fees. Membership will be forfeited if not paid by the end of the May meeting - - sad, but true.

That's it for this month, Troops – Have a good meeting, and a good work party. Don't forget – it's on the eleventh. Stay safe, and stay healthy, Troops - - I'll see ya next month.

Dick Z.
