Housekeeping:

- The windmill lease was terminated June 19, 2018 and we received our final check.
- The June 9th work party included installation of a new floor beam, the dock at the pond was repaired and improved and a new Pergo floor was installed in the kitchen. Thanks to all who participated.
- A new culvert pipe was installed on Livermore Rd and the driveway apron widened.
- Range and target repairs have been completed. The range shed has been cleaned-out. Please take proper care of the range and range equipment when shooting.

Important Information:

- The club shoot is scheduled for August 18, 2018 at 9am at the cabin. This year the handgun event is back. The theme for this year's shoot is "Steel Challenge – less paper; more steel".
- The final work party for 2018 is September 15, 2018 at 8am at the cabin. The September meeting will follow at 6pm.
- The Hunter Safety Course is scheduled for Sunday September 23, 2018 at the cabin. Consult the DEC website for details or reach out to Mark Zaller.

Respectfully,

Conrad Menclewicz
