Hello again, Troops. This month's meeting will be held at the cabin, to coincide with the club's annual fox hunt – that's on Saturday, Feb. 22nd, at 12 noon. The fox hunt runs from Friday through Saturday. You don't want to miss this, Troops - - it's gonna be way better than the super bowl. (Of course just about anything would be better than that was.) Even the commercials sucked - - except for one or two. We won't have any commercials at the fox hunt, so you don't have to worry about that, though. All in all, this month is a bargain - - you have your meeting, and as a bonus, you have your fox hunt – all in the same day. Now what could be better than that?? - - - aside from an eviction notice pinned on the White House door, that is.

There's possibly some more improvements comin' up at the cabin, Troops. Some floor repairs, carpeting, and tile around the fireplace have been discussed, and along with some added electrical outlets in the bunk room, are being seriously considered by the board of directors. These improvements will most likely come about during this year's three work parties.

Speaking of work parties – Joe Nagy, our new camp chairman, has requested that anyone who can't make a scheduled work day due to their jobs, or whatever reason, should make arrangements with him at least two weeks in advance to set up a personal work day in order to avoid being delinquent on that subject. Joe can be reached at 566 – 8027. Talk to Joe, and the two of you can work something out.

Deepest sympathies to Conrad Menclewitz on the passing of his dad last December. I was not aware of this until just recently. My apologies to Conrad for the delay.

Frank McNamara - - - if you're listening – fill out, and turn in the form for the windmill renewal already!!! (If you've already done it, please disregard this pitiful attempt at a humorous jab.)

And so we come to another end to this lowly rag. I don't have anything else to tell you this month, except to remind you that club dues are to be paid in full by the April meeting, but you don't want to hear about that, so I won't mention it.

Stay safe, stay healthy, and stay alive, Troops. Have a good meeting, and a good fox hunt. See you next month.

Dick Z.
