News:

- Deer season was a success at camp – thanks to all who took extra precautions to keep their fellow club members safe.
- According to unofficial records, Dave Roberts harvested a 7 pointer opening day and subsequently won the camp contest. Dave also harvested a button buck.
- Joe Nagy harvested a doe. Kenny Heist harvested a doe. Mark Zaller harvested a doe and a button buck. Greg Halt harvested a doe. Tim Murphy harvested a big muzzleloader doe and Dan Roberts Jr harvested a trophy buck in Central NY. This list is unofficial so if anyone was missed, my apologies.
- At the November meeting, which was held at camp, the membership approved an increase in dues from \$300 in 2020 to \$350 in 2021.

Housekeeping:

- The club calendar is being posted on the website but some important dates follow.

- March meeting – virtual – Thursday March 18th, 7:30pm
- April work party & meeting at camp – Saturday April 17th, work party 8-5, meeting 12pm

- Information for these 2 meetings will be sent by email to those members who receive their newsletter by email closer to the date of the meeting. We will carry-on all normal club business at these meetings.
- The Board of Directors has decided to cancel the annual Fox Hunt due to the risks of Covid 19.
- We are hopeful that the vaccine rollout will accelerate and we will be back to some level of normalcy later this year. Until then, you and your families stay safe and healthy.
- Dues are due by the April meeting – Saturday April 17th, 12pm at the cabin.
- Dues can be mailed to Mark Zaller, 3350 McKinley Parkway #3, Blasdell, NY 14219.
