Hi, Troops – The June meeting is scheduled for Saturday, June 13th, and the year's second work party will be held on Saturday, and Sunday, June 13th and 14th. The work party agenda consists of staining picnic tables, installing jacks under the cabin, putting down ¾ inch plywood on the floor in the main room of the cabin, and painting said floor.

This is the last meeting of the summer, since we have no meetings in July and August, so I will now remind you of our annual club shoot, which will be held on Saturday, August 22nd. I don't have a date for the family picnic, so I can't include that.

Nothing new to report on the proposed pavilion, but the project needs to be acted on soon. So far there's been no research done on that, as far as I know. Guess we're gonna have to shake things up a bit on this.

Our ol' buddy, Bob Raczka was reported to be in the hospital (don't know which one) He was passing blood. They're doing tests, but they don't seem to know what's causing this. Here's wishing him a speedy and full recovery.

At the May meeting it was discussed that food for future work parties should be limited to hot dogs and hamburgers. – I don't know if that was actually decided on, or not.

Mark Zaller's hunter safety seminar has been moved from Sept.13th to Sept. 20th. Help is needed . Let Mark know if you can lend a hand.

Guess our pond is healthy after all. Dan Robert's son caught a really nice bass. Ask Dan to tell the story of how a big bass was caught while having a small bass hooked.

Phil Gervase is 65 years of age now, and has requested honorary status.

We lost a member last month, Troops. Mike Cronin was regretfully dropped from membership due to unpaid dues.

That just about does it for this month, troops. Stay safe – stay healthy, and we'll hopefully see you at the cabin on the 13th.
