Hi, Troops – there’s a meeting at the Boston Hotel on the 24th, at 8:30 p.m. I guess this is because the seventeenth is Saint Patrick’s Day – not sure, though. Anyway, the meeting is a week later than usual, So you have an extra week’s time to get there, so don’t screw it up, hear !?!

As of this writing, the donations for the pavilion fund add up to \$1,170.00. We’re still hoping for more donations, as this amount will not cover the costs.

I don’t want to preach, but I gotta remind you that club dues are to be paid in full by the end of the April meeting. Dues, with a \$40.00 late fee will be accepted until the end of the May meeting. Any member who’s dues (and late fees, if warranted) are not paid in full by the end of the May meeting will be dropped from the membership, and a new member from the waiting list will be sworn in at the June meeting. Okay, I reminded you - - - the ball is in your court now.

As per the minutes of the February meeting, I will pass on to you the following tid-bits of information. - - Our supply of firewood is adequate. We can get a small amount of burnable wood from downed trees on our property. - - The outhouse, and the driveway are both to be addressed this year. - - - Our neighbors will be replanting our open fields, and the club will share in the costs. This is expected to draw in more wildlife, and serve as food plots for them.

Ken Moser spoke to a neighbor about some members leasing his land which borders our property, during hunting season. This would give the leasers exclusive use of the land for hunting. The neighbor is considering this offer.

Jack Green has applied for status as an honorary member at last month’s meeting. The Board of Directors approved it, and the members in attendance ratified it. Congratulations, oh great green one !!!!

That’s all for this rag, Troops - - Stay safe, stay healthy, an’ we’ll see ya’ on the 24th.
