**Message From The President:**

- In reference to the attached letter regarding the windmill project, our president spoke with a representative from the windmill company and advised, “We received this because the lease requires notice. We shouldn’t expect to see any activity on our property.”

**Housekeeping:**

- There are a few semi abandoned tree stands in the woods, and they appear to be safety hazards. We are asking all members to label their stands by the end of July. Any unlabeled stands may be removed after July. If your stand is unsafe, please remove it.
- Anyone currently receiving a paper copy of the club newsletter who has a valid email address can receive the club newsletter via email. It saves the club postage and it’s easier for distribution purposes. Send Conrad an email at [Cmenclawicz52@msn.com](mailto:Cmenclawicz52@msn.com) with your email address.

**News:**

- The attached letter was received from the windmill company with regard to the local project. Please refer to the above message from our president with regard to how it will impact the club.
- The membership would like to thank the Burgard Family as well Ken Heist for their 2<sup>nd</sup> donations toward the pavilion project.
- The DEC recently announced that 2016 was the safest year on record for NY hunters. A thank you to Mark Zaller and his volunteers who annually have been providing hunter education at the club and have no doubt contributed to these excellent results.
- Please welcome new member, Tommy Leiser, to the club. He was sworn-in at last month’s meeting at the Fox Hunt.

**Important Information:**

- Pavilion in field. Pavilion committee is collecting donations. A 20x24 pavilion will cost \$4,800. They need an additional \$3,500 to get the pavilion built. If you are interested in seeing a pavilion

in the open field by the pond, please send your donation to Mark Zaller. If funds are not raised in full by the May 18th meeting all donations will be returned and the pavilion project will be dropped. The committee is looking for donations, not ideas, so if you would like to see a pavilion in the field, please donate today.

Respectfully,

Conrad Menclewicz

Dues and Assessments may be mailed to **Mark Zaller, 3350 McKinley Parkway, Apt.#3, Blasdell, NY 14219.**
