**Housekeeping:**

- At the last meeting, and afterward, a flurry of donations were received leaving only a \$700 shortfall before reaching the goal. Anyone wishing to help bridge that gap to make the pavilion a reality may either come to the May 18th meeting or mail Mark Zaller a contribution. Please make checks payable to the Buffalo Rod & Gun Club.
- Joe Nagy and Ken Heist worked further on the new woodshed the weekend of May 6-7. It is now ready for the metal roof to be installed.
- The double outhouse is still under renovation.
- Anyone currently receiving a paper copy of the club newsletter who has a valid email address can receive the club newsletter via email. It saves the club postage and it's easier for distribution purposes. Send Conrad an email at [Cmenclawicz52@msn.com](mailto:Cmenclawicz52@msn.com) with your email address.
