**Housekeeping:**

- The current mouse count at the cabin is 9 according to Mr. Murphy.
- Regular season opens Saturday, November 16. Good luck to all hunters
- Consider donating \$50 towards the planting of the food plots. If we want them, we have to pay for them. If we don't collect enough funds to cover the costs, we won't continue.

**Important Information:**

- Elections will be held at the November 16 meeting.
- No guests are permitted at camp during regular season. Family members(sons and daughters) are welcome after the first week. If you bring a son or daughter, accompany them in the field.
- The tract of land known as the "black angus field" has been sold. As such, all prior permission to hunt on it is no longer valid. Please refrain from entering that piece of property. We do not want to damage our neighbor relations.
- Please note that the club did not enter into any leasing agreements and so we should honor our neighbor's property lines.

**Be Safe This Season:**

- **Know your target and what is beyond.**
- **Finger off the trigger until you are ready to shoot.**
- **Keep muzzle pointed in a safe direction at all times.**
- **Treat all firearms as if they are loaded.**

Respectfully,

Conrad Menclawicz
