Housekeeping:

- Shotgun opens November 19th, the November meeting will be held at the cabin at 6pm.
- The first week of shotgun season is reserved for members only, with immediate family members welcomed after the first week.
- Election of officers was conducted at the October meeting and there will be no changes from last year.
- No current club members were lost due to failure to make a work party or pay assessment by the October meeting.
- The TV in the cabin has been upgraded with a quality new TV and mounting bracket. This was accomplished without any funds from the club's treasury. It was an initiative sponsored by President Murphy. However, those members likely to benefit most from this upgrade may make a personal donation as they wish. Tim is the person to see.
- Members have noted the excellent condition of the grounds on recent visits. Specifically, leaf removal and trimming. Stone has also been added to the bottom of the driveway. Kudos to Camp Chairman Nagy and anyone else involved.
- Anyone currently receiving a paper copy of the club newsletter who has a valid email address can receive the club newsletter via email. It saves the club postage and it's easier for distribution purposes. Send Conrad an email at Cmenclwicz52@msn.com with your email address.
