Housekeeping:

- Opening week of deer season (firearm) is members only at camp. Sons and daughters are welcome after the first week. Members have first right to bunks.
- The chimney at the cabin was professionally cleaned. The insert was removed and cleaned. A special thanks to Danny May and Jack Green for their efforts.

News:

- A BR&GC apparel order form will be coming out soon via email.

Important Information:

- **This deer season, as always, please remember the following cardinal rules of firearm safety:**
 - 1) Treat all guns as if they are loaded.
 - 2) Control your muzzle – keep it pointed in a safe direction.
 - 3) Keep your finger off the trigger until sights are on the target and you are ready to shoot.
 - 4) Know your target and beyond.

Best of luck to everyone this season and stay safe.

Respectfully,

Conrad Menclewicz
