Meeting at the Cabin
Sept. 12th

Livermore Rd.
Arkwright, N.Y.

Time: 5:00 P.M.

By: Dick Zaverl _681-4482

Hi, Troops – Summer break is over, and it’s now time to continue with whatever business comes before us. This month’s meeting coincides with the fall woodcutting work party, and is a very important one, as the membership will be asked to vote on a proposal to increase the yearly club dues to \$ 200.00, beginning January, 2016. This is also your last chance to make a work party in order to avoid an assessment of \$160.00.

For your information, the DEC has shortened the turkey season this year to two weeks, due to a declining turkey population. Bag limit is set at one bird of either sex. Season dates in our area are from October 17th to October 30th. This is a significant reduction in the length of fall turkey season. A majority of approximately 120 comments the DEC received on this ruling shows hunter approval, as this should help in bringing the turkey population back up. For more information about the new fall turkey hunting regulations , visit the DEC website. There is also a change to the bow and muzzleloader seasons in Niagara, and Erie counties that restricts the taking of antlered deer. If you hunt in these counties, make sure you understand these new rules before heading afield. This important information comes from our fearless leader, Tim Murphy, who is looking out for your best interests, and your safety as well.

Speaking of safety – The yearly hunter safety course, offered by Mark Zaller, will be held on September 20th, at the campgrounds. The class is full, and volunteers are needed to assist. Contact Mark at 432-0152 if you plan to help out.

I was at the club shoot this past Saturday, and the weather was just perfect. It was a very enjoyable day, even with a light turnout. The results are as follows - - Joe Nagy, and Mark Zaller shared first place, and Tim Murphy took second place.

For those of you who haven’t been to the cabin lately, let me tell you that the repaired floor in the main room turned out really good. I’d like to offer a “ tip o’ the hat “ to all who took part in the restoration - - a job well done.

Before I wrap this up, I would like to share some very important information with you. What do women’s panties have in common with nail polish ?? - - - They both come off with alcohol. No need to thank me - - I’m just glad to help.

That’s it for this month, Troops - - don’t forget this very important meeting on the 12th
Hope to see you then.

Dick Z.
