Hello, Troops – Time for another meeting of the minds. This one is local – at the Boston Hotel. The June meeting is set for Saturday, the thirteenth, at the cabin, to coincide with the June work party. As you know, there are no meetings in July and August, so I'll have to pass on information as to what's going to be going on during those two months in the June rag.

I have to remind those who haven't paid their dues yet, that the unpaid dues are to be resolved at this month's meeting, along with the forty dollar late fees. Failure to do so will result in being dismissed from the club, and a new member from the waiting list will be accepted to our ranks. I don't know who isn't paid up, but you do, so do what you gotta do, Troops – don't get flushed out. The total dues, plus the late fee comes to two hundred bucks.

As for the June work party, I'm told that the proposed pavilion will probably be around 20ft.by 20 ft. This is not definite as yet – costs have to be checked, and we have to see how much will end up being donated by the membership. – Some work to be done consists of fixing up the runoff from the pond, and removal of cattails from around the pond. Gutters and eaves to the cabin must be finished, and some drainage repairs need to be done from midway to the end of the driveway. Also the cabin floor is to be finished.

The outside hand pump was repaired at the April work party, among some other things that were done, but I can't talk about them, 'cause I don't really know what the hell they are. I can't very well tell you what I don't know, can I ?? 'Course not !! Guess you'll just have to come to the meeting, if you're that curious.

I don't know if you've been paying much attention about Bruce Jenner changing to a woman, but I personally think the whole thing is pretty icky in itself. One good thing may come of it, though - - there's a rumor going around that he's offering to donate his balls to Obama. Don't know if that would really help matters, though.

Well, Troops, I guess that's about it for this month. Stay safe, stay healthy, and stay cool ( not temperature wise, but COOL wise.) See you on the twenty eighth at the Boston Hotel, I hope.

Dick Z.
