The following resolution is submitted by the Buffalo Audubon Society, Inc., to the Erie County Federation of Sportsmens Clubs, Inc. Its passage is urged at the earliest possible moment, even waiving any delaying procedure in order to place this resolution in the hands of the Niagara Frontier State Park Commission before they might make commitments without knowing our stand on keeping Buckhorn Island State Park as a natural wildlife refuge.

Whereas the Niagara Frontier State Park Commission in their good judgment set aside the Buckhorn Island State Park to be kept as nearly as possible a natural wildlife refuge, and

Whereas this park has served both as a breeding area for ducks and marsh birds, and as a stopover station for waterfowl during the spring and fall migration seasons, and

Whereas many scouts, bird-watchers, photographers and other nature lovers take unusual pleasure in visiting this park in its present status as a natural wildlife refuge, and

Whereas this park is a spawning place for fish, and is also a good fishing area, and

Whereas it is our understanding that an attempt is being made by certain parties to induce the Niagara Frontier State Park Commission to set aside some 46 acres, more or less, as an International Music Festival site which would eliminate much of the buffer area protecting encroachment on Burnt Ship Creek and its marshy border from the south, with consequent adverse effect on the present status of the park as an outstanding wildlife refuge, and

Whereas many preferable locations are available on Grand Island for the construction of an amphitheater with adequate parking and picnic areas,

Be it resolved that we, the Erie County Federation of Sportsmens Clubs, Inc., representing approximately 7500 sportsmen and conservationists in Erie County, urge the Niagara Frontier State Park Commission to stand firm in preserving the present status of Buckhorn Island State Park as a natural wildlife refuge, and

Be it further resolved that his Federation is opposed to taking any part of the lands now comprising Buckhorn Island State Park and devoting such lands to any use other than the use to which they are now devoted, that of a natural wildlife refuge, and

Be it further resolved that this Federation urges the Niagara Frontier State Park Commission to reaffirm its original position that this entire Buckhorn Island State Park area be maintained as a natural wildlife refuge.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text also mentions that proper record-keeping is essential for identifying and correcting errors in a timely manner.

2. The second part of the document focuses on the role of internal controls in preventing fraud and misstatements. It outlines various control measures such as segregation of duties, authorization requirements, and regular reconciliations. The text stresses that these controls are not only necessary for the protection of assets but also for the overall reliability of the financial reporting process.

3. The third part of the document addresses the challenges faced by organizations in implementing effective internal control systems. It discusses factors such as the complexity of operations, the rapid changes in the business environment, and the limited resources available. The text suggests that organizations should adopt a risk-based approach to internal control, focusing on the areas of highest risk and ensuring that controls are regularly reviewed and updated.

4. The final part of the document provides a summary of the key points discussed and offers some practical recommendations for organizations. It reiterates the importance of a strong internal control system and encourages organizations to seek professional advice when needed. The text concludes by stating that a well-implemented internal control system is a key factor in the success of any organization.

Mr. Peter Frazon  
60 Grace Street  
Buffalo 7, New York

Dear Peter:

The Board of Directors of the Buffalo Rod & Gun Club, Inc. requests your presence at the November 12, 1964 meeting at 8:00 p.m. At this time you will be given an opportunity to justify your recent actions at the campsite at Forestville which the Board feels were unsportsman like as well as being detrimental to the property and members of the club. The Board will take this opportunity to discuss this matter with you in hopes of solving the problem. Your absence from this meeting will provoke the situation and hasten drastic action by the Board.

Sincerely,
