January 12, 1970

Dear John,

At the November meeting, after much discussion, it was decided to make a special case regarding your circumstance. Since you have been a good and faithful member for many years, it was decided to refund \$5.00 to you. Somehow this check was never sent out.

Then at the December meeting it was brought to the attention of the membership that you wanted to remain a member of the club. Again, after much discussion, it was decided that per the By Laws you were a delinquent member and officially dropped from the membership rolls. In the event you want to rejoin the club, this can be done by submitting an application for membership with the proper initiation fee.

Enclosed find \$5.00 refund check and also application for membership. Hoping to hear from you.

Sincerely,
