Work party and meeting this Saturday, June 11. General cleanup, firewood gathering, pond maintenance etc. are on the to do list.

Volunteers needed to mow the range and campers field. Mark Zaller who normally handles will be out of action for most of the summer with some back issues. Contact Mark if you wish to volunteer or have any questions on using the lawn mowers.

### **New Members**

Welcome to Rick Spyres will be sworn in Saturday 11<sup>th</sup> (sponsored by Dave Raczka & Mark Zaller)

### **Sad news**

A good friend of many members passed away, RIP Ron Kobel

### **Food Plot**

If the food plot committee plans to have food plots planted this year, approximately \$650 needs to be raised and in hand at the June meeting. My understanding is that Kevin Grupp is collecting donations - at least he was going to work on it. We have the opportunity to get our plots plowed, disced, limed, fertilized and planted, but like all good things in life, nothing is free. If you want food plots (if you hunt at the cabin) please contact Kevin at 716-913-9170 to make a donation - he accepts Venmo!

### **New Shower Enclosure**

A new shower stall and door have been ordered and the new, clean shower will be installed before hunting season begins.
